

## DIRECTIONS

### to UCSD Center for Molecular Genetics

#### DIRECTIONS TO CAMPUS:

**From North:** Drive South on Interstate 5 to La Jolla Village Drive exit; turn Right onto La Jolla Village Drive; proceed to Gilman Drive (exit appears immediately after the Via La Jolla Drive intersection; turn Right onto Gilman Drive and proceed to stop sign. Turn right (north) and you're on campus.

**From South:** Drive North on Interstate 5 to Gilman Drive exit; turn Left onto Gilman Drive; continue North until you arrive on campus.

**From East:** Drive West on Highway 52 then North on Interstate 5 to Gilman Drive exit; turn Left onto Gilman Drive; continue North until you arrive on campus.

Alternatively, Drive West on Miramar Road, continuing as it changes into La Jolla Village Drive (at the 805 Freeway). Proceed on La Jolla Village Drive to Gilman Drive (exit appears immediately past the Via La Jolla Drive intersection; turn Right (north) onto Gilman Drive.

#### DIRECTIONS ON CAMPUS:

You will notice a Visitor Information Center when you arrive to UCSD campus. CMG is located on the right (east) side of Gilman Drive just past the Osler Lane intersection.

**To CMG's Loading Dock:** Turn Right at the second intersection past the Visitor Information Center.

**To Lot 604 (The Pit):** Turn Right at the first intersection past the Visitor Information Center onto Osler Lane; turn Right at the stop sign and follow the driveway down into the parking lot. Walk back up the driveway and notice CMG to the North-West, located to the west of the newly remodeled Biomedical Library.
